Re: California WaterFix Hearing - Part 2

Dear Hearing Chair Doduc and Hearing Co-Chair Marcus:

This letter serves to clarify and confirm that my office submitted last Thursday a cover letter and exhibits - both of which are enclosed with this correspondence for convenience - on behalf of the Water Forum. As stated in the Water Forum's cover letter, the exhibits were submitted on behalf of the American River Water Agencies (ARWA), which includes the City of Sacramento as represented by this office in the WaterFix proceeding. For further clarification, my anticipation and that of the Water Forum and ARWA is that the cover letter and all exhibits, which were timely submitted last Thursday, will appear under the Water Forum designation as Water Board staff work in the coming days and weeks to migrate exhibits from the FTP site to the Water Board's website.

Thank you for your attention to this matter.

Very truly yours,

A handwritten signature in blue ink, appearing to read "Wesley A. Miliband", is written over a faint, light blue circular stamp or watermark.

Re: California WaterFix Hearing – Part 2
Proposed Grouping and Order of Parties

Dear Hearing Chair Doduc and Hearing Co-Chair Marcus:

For Part 2 of the California WaterFix hearing, the Sacramento Water Forum (Water Forum) is presenting evidence of injury by Cal WaterFix to lower American River fish, and requesting that, if the Board approves the Cal WaterFix water-right change petition, the State Water Board address that injury by imposing terms and conditions in Reclamation's permits for Folsom Reservoir to implement the proposed Modified Flow Management Standard (Modified FMS) as presented by the Water Forum in Parts 1 and 2.

The Water Forum's participation and submission of evidence (testimony and exhibits) is on behalf of the Water Forum and its members known as the American River Water Agencies group, which includes protestants Cities of Folsom, Roseville and Sacramento, Placer County Water Agency, Sacramento County Water Agency, Sacramento Suburban Water District and San Juan Water District.

As requested by the August 31, 2017 ruling letter, the Water Forum proposes to present two panels as part of the Water Forum group, which was designated in Part 1 as Group 11 and for which witnesses were identified by the Water Forum's Supplemental Notice of Intent to Appear in Part 2 submitted on October 13, 2017:

Hearing Chair Tam Doduc
Hearing Co-Chair Felicia Marcus
November 30, 2017
Page 2

Group 11

Panel 1 – California WaterFix Injury to Lower American River Fish, with the witness panel consisting of Tom Gohring and Paul Bratovich.

Panel 2 – Modified FMS as Terms and Conditions to Address that Injury, with the witness panel consisting of Tom Gohring, Paul Bratovich, Jeff Weaver, R. Craig Addley, and Chris Hammersmark.

A copy of the Water Forum's exhibit index is enclosed. These exhibits will be uploaded to the State Water Board's FTP site. Files for modeling conducted by the Water Forum will also be uploaded to the FTP site for purposes of making this information available to the parties, however the modeling files are not being submitted as exhibits.

Thank you in advance for your consideration of the Water Forum's presentation regarding the California WaterFix and our proposed solution for protecting the lower American River and its habitat.

Sincerely,

TOM GOHRING, P.E.
Executive Director

Enclosure

STATEMENT OF SERVICE

**CALIFORNIA WATERFIX PETITION HEARING
Department of Water Resources and U.S. Bureau of Reclamation
(Petitioners)**

I hereby certify that I have this day submitted to the State Water Resources Control Board at CWFhearing@waterboards.ca.gov a true and correct copy of the following document:

**Letter to Hearing Chair Tam Doduc and Hearing Co-Chair Felicia Marcus
Re: California WaterFix Hearing - Part 2**

A copy of this document was served by **Electronic Mail** (email) upon the parties listed in Table 1 of the **Current Service List** for the California WaterFix Petition Hearing, dated November 22, 2017, posted by the State Water Resources Control Board at http://www.waterboards.ca.gov/waterrights/water_issues/programs/bay_delta/california_waterfix/service_list.shtml:

I certify that the foregoing is true and correct and that this document was executed on December 6, 2017.
